

To complete your application to the NITE program, please go to the US Department of Education website and read the Executive Summary to the No Child Left Behind Act (NCLB) of 2001: <http://www.ed.gov/nclb/overview/intro/execsumm.html>

Identify the four principles and strategies of NCLB and choose one principle to discuss. Write a 2 – 3 page essay.

How does the principle affect the school system that you are in? Do you think it is in the best interest of students, teachers, and the community? Why or why not? Please support your argument with specific examples.

Process for submitting writing assessment:

Submit your assessment to: Cambridge College - NITE  
ATTN: Office of Student Records
